RESOLVES

1) To amend the seventh clause of Art. 12 of the Company Bylaws as follows:

"7. Resolutions are taken with an absolute majority of the votes of those present and in compliance with the Rules for Related Party Transactions. If the votes for and against are equal then the Chairman or whoever is taking his place casts his vote which is decisive."

The remaining text of the article is unchanged.

2) To add at the end of Art. 15 of the Company Bylaws a new clause which is reproduced below:

"5. The Ordinary Shareholders' Meeting may pass resolutions required by the Rules for Related Party Transactions adopted by the Company."

The remaining text of the article is unchanged.

3) To amend Art. 16 of the Company Bylaws as follows:

"ARTICLE 16

1. The right to attend the Shareholders' Meeting and to appoint a proxy to attend are regulated by applicable legislation on the subject.

2. Proxies can be notified to the Company by Certified Electronic Mail before the start of the Meeting to the address indicated in the notice of meeting.

3. Attendance of the Meeting and the use of electronic voting are allowed when the notice of meeting specifies that this is the case, giving an indication of the procedures and of the requisites required by regulations on the subject.

4. It is up to the Chairman of the Shareholders' Meeting to check that all the proxies are in order and that those who have intervened have the right to take part in the Meeting.

5. Each share gives the right to one vote.

6. Both the Ordinary and the Extraordinary Meetings of

the Shareholders, even when convened in a single calling if the Board deems it appropriate, are considered to be duly constituted and may adopt resolutions in compliance with the Rules for Related Party Transactions."

4) To authorize the Chairman of today's Meeting to accept and introduce into the resolution adopted as above any changes, deletions or additions of a formal nature that may be necessary for it to be registered and published in accordance with the law."

The Chairman then opens the debate and as nobody has requested the floor he notes that there have been no changes in the number of persons present; he therefore puts the text of the resolution to the vote and it is approved with a large majority, with 500,000 votes against, 7,140 abstentions and more specifically with the vote against and the abstention of certain Funds represented by Ms Rossella Biagi - as is specified in the list attached under the letter B - and with the votes in favour of all the other Shareholders.

the publication as per the terms of Art. 2436 of the Civil Code, after the resolution adopted as above, the Company Bylaws, unchanged in all the rest of the text, are now in the form of the text which, signed by the person before me and by me the Notary, is attached to these minutes under the letter D.

The person before me shows me the list of the Shareholders who took part, the list of the votes against and the abstentions together with the list of journalists present, lists which are signed by the person before me and by me the Notary and are attached to these minutes under the letters A, B and C respectively.
